Client Companion

Our Family for Yours!

Companion Service

Perhaps you're looking for a new friend to play checkers with or read the paper to you? Do you require assistance to and from appointments? Maybe you need someone to ensure peace of mind and companionship during your loved ones last days? Or ensure your own wellbeing during an unexpected illness?

GEM Health Care Services Client Companions are available for you around the clock!

These jewels of GEM provide safety and security, as well as companionship, emotional support and stimulation, while always maintaining a caring, compassionate, respectful attitude towards you and your family. Our Client Companions will demonstrate initiative; assist in the promotion and maintenance of a safe and comfortable environment while always wearing a smile!

What makes our jewels sparkle?

You will recognize the difference between GEM Client Companions and others, all of our staff have great personalities and have successfully completed an extensive training program to help serve you better! This training includes reviews of medical conditions, assistance with mobility, confidentiality standards, safety and security principles.

All GEM Client Companions maintain a current CPR/First Aid Certificate and have successfully passed the criminal reference check and are bonded, to ensure you receive the highest quality care you deserve!
